## Welcome to Our Newsletter!

Welcome Family, Friends and Clients. If you're receiving this newsletter and would like to unsubscribe or have it sent to a different email address, please let us know right away. We've created this to inform you of some travel knowledge, possible deals you can take advantage of and let you know what we're up to in case you'd like to join us on one of our adventures.

## How to take advantage of Groups: alone or with family and friends

In case you didn't know, traveling in groups is a great way to save yourself a little money. You don't have to know the people in the group to be able to get the benefits of a group. Many suppliers, like cruise lines, offer special discounts to groups, but you also can share the costs of transportation and sometimes accommodations by being in a group. You might not always save money, but extra amenities may be available as well.

If you enjoy cruising on Royal Caribbean or Celebrity like us, our Consortium will book out cabins in different categories at special group rates that we can then offer to our clients. However, each cruise has a limited amount, so plan early to save money.

# What our clients are up to

We've been helping a SKI (Spending the Kids Inheritance) Group get ready for an 11 Night Greece Intensive voyage.

It's a beautiful voyage on the Azamara Journey that starts in Athens and ends in Venice. It stops at amazing Greece ports such as Mykonos, Santorini and Corfu plus a little jog into Ephesus, Turkey.

Some of the SKI'ers are already thinking about 2025. We've started a group booking aboard the Viking Octantis for a 7 Night Niagara Falls and Great Lakes cruise starting in Milwaukee and ending in Toronto.

Is Hawaii your thing? We have a couple of clients visiting the islands on cruise ships, but we can help you plan a resort vacation as well.

How about an LA to LA voyage across the Pacific on the Viking Neptune? 16 Nights with lots of sea days, various Hawaiian Islands and one little stop along the way in Ensenada.

Or you can do what another client is planning and fly straight to Honolulu for a 7 day adventure on the Norwegian Pride of America. This vacation has two overnight stops at Kahului on Maui and Nawiliwili on Kauai as well as stops at Hilo and Kona.

## Join us in 2025

We'd love for you to join us on our adventures. We believe in planning ahead and this is our 2025 so far.

In May, we'll be embarking on our first river cruise along the Danube River. It's 15 days starting in Budapest and ending in Amsterdam on the Viking Magna.

In June, it's a 10 Night Eastern Mediterranean cruise on the Celebrity Constellation visiting ports in Italy and Croatia. This cruise still has group bookings available. Currently, prices are \$2,155pp for Prime Oceanview and \$2,654pp for Prime Veranda plus port taxes and fees of \$181.39pp. These rates include the classic drink package and wifi. You would also receive a \$50 per cabin onboard credit. These rates are over \$450pp less than if you booked it yourself.

We look forward to helping you plan  
your next vacation.
